

# Safe Sanctuaries Training

Safe Sanctuaries training should be completed by clergy and by each person in our church who works with children, youth, and vulnerable adults every 60 months (5 years). Training is now online, through *MinistrySafe*.

## THE SAFE SANCTUARIES TRAINING PLATFORM FOR THE SUSQUEHANNA CONFERENCE OF THE UMC

The church office will enter your information in *MinistrySafe* and then you will be sent an email from *MinistrySafe* containing a link to the online training. You simply need to click on the link in the email. After clicking on the link, you will be prompted to watch the Sexual Abuse Awareness Training, which is just under two hours in length.

After watching the training, you will be prompted to take a short quiz, which is scored online. A score of 70 or better will generate a Certificate of Completion. You must complete the online quiz.
